SUMMARY

To secure a responsible, position in an organization that helps me pursue a challenging career and gives me an opportunity to exhibit my ability and skills to make the best of my potential and contribute to the organization's growth

PROJECT

Mercantile Society Onboarding Association

In College • github.com/hazu1505/Mercantile-hazar1505.git • December 2024 - May 2025

- Designed engaging onboarding materials using Figma and Canva, enhancing the visual presentation and streamlining the onboarding process for new society members.
- Engineered the front-end interface using React Native for Android, enhancing user experience and providing seamless onboarding for new members of the Mercantile Society.
