## PROJECTS

- **MERCANTILE SOCIETY ONBOARDING ASSOCIATION**

Front-end Designer —————————— Dec 2024 – May 2025
**GitHub:** github.com/hazu1505/Mercantile-hazar1505

• Designed engaging onboarding materials using Figma and Canva, enhancing the visual presentation and streamlining the onboarding process for new society members.

• Engineered the front-end interface using React Native for Android, enhancing user experience and providing seamless onboarding for new members of the Mercantile Society.

- **PERSONAL PORTFOLIO**

Developer —————————— May 2025 - June 2025
**Check out my portfolio here:** https://portfolio-delta-five-99.vercel.app/

• Modern & Interactive Design – Showcases projects with smooth animations and a clean, responsive UI built for an engaging user experience.

• Tech-Centric Profile – Highlights skills in web development and creative design, reflecting both technical expertise and artistic flair.
